

South Coast Singers Presents

Stars of Tomorrow

2019 Competition

General Information

All Orange County high school students are eligible to apply, whether or not they are currently enrolled in a music class. This competition is for vocal soloists only, no duets or groups, and no instrumentalists. There are two categories: Musical Theater and Classical. We suggest you choose a song that best reflects your musical interests and showcases your individual talent. *You are welcome to audition one song from each category, but you can be chosen for only one category. Songs are to be limited to 4 minutes in length.*

Application Deadline

EXTENDED to Monday, January 21, 2019 at 11:59pm.

About the Auditions

In -Person

Auditions will be held on January 26, 2019, from 9-3pm at Capistrano Valley High School in Mission Viejo (*different from last year*). A committee of judges will select the competing vocalists to compete at the final competition on March 10, 2019 beginning at 5pm (call-time is 3pm) also at Capistrano Valley High School. No recorded accompaniments are allowed. For consistency sake, an accompanist will be provided for both the audition and the final competition. Please bring a nonreturnable copy of your music to the audition, to be retained by the accompanist for the finals in the event you are chosen to compete. If two contestants have selected the same song to audition, you may be asked to sing a different song (as approved by the SOT vocal coach) at the competition.

Please note: we suggest that all singers may want to bring an alternate song, as the judges will sometimes ask for something else.

Video

Video auditions need to be submitted by January 23 at 11:59 pm, before we have the live auditions. Videos submitted after that time will not be considered. The video audition should be a link to a website such as YouTube or Vimeo. Make sure the password is included.

Student Coordinators

Ruth Strickland and Diane Bouquet are available to assist you with any questions you may have about the application process, auditions and final competition. They may be reached as follows: SOTapplication@gmail.com.

Judging

Participants will audition before a panel of judges who are responsible as a group to select the finalists. Students will be judged on song selection, vocal quality, and presentation. Finalists will be given feedback at the dress rehearsal, so it is very important that the finalists not miss the rehearsal. There will be a second panel of judges at the Final Competition. All judges are exceptionally qualified musicians, performers or music instructors.

Your Responsibilities as a Finalist

Finalists are responsible to meet all deadlines listed on the “Calendar of Events”. Limit your bio to 6 – 8 sentences. Finalists are required to participate in the dress rehearsal on February 23rd. Each performer will be assigned a time between 9am -12 pm. *Dress is casual for dress rehearsal.* You will have plenty of time to work with your own vocal coach before the competition.

Dress code for the competition is semi-formal to formal attire.

Event Promotion

All participants and their schools are asked to promote attendance at the “Stars of Tomorrow” Final Competition on March 10, 2019. Some ideas include the weekly newsletter/email that goes out to students and parents, promoting the participant in any school media opportunities such as the daily TV news, and any other ways that will help promote people attending the competition and cheering on their participant(s).

Participants are also asked to each sell 6 tickets to promote the show.
